

RESUME

STEVEN P. RITTER

Date of Birth: May 28, 1959
Marital Status: Married, two children

EDUCATION

West Texas State University (WTSU), Canyon, Texas:
Masters of Science (Geology) - 1987
Bachelors of Science (Geology) – 1982

AAPG Continuing Education Short Courses:
Seismic Stratigraphy (1985)
Introduction to 3D Seismic (1993)

Oklahoma State University & W.T.S.U
Additional Environmental and Hydrology courses

EXPERIENCE

1989-Present

GRACE, SHURSEN, MOORE & ASSOCIATES, INC. Amarillo, Texas -

Consulting Geologist

Evaluation of producing and non producing O&G properties, wellsite geology, log analysis, environmental work. Geologic mapping for various drilling projects, lawsuits, behind pipe evaluation, and potential development.

1987 - 1988 Consulting Geologist

Economic evaluation of producing and non producing properties for oil & gas. Geologic studies and mapping projects. Perform well-site examination of samples, direct well logging operations, and log analysis. Lawsuit consulting work.

1986-1987 MESA LIMITED PARTNERSHIP, Amarillo, Texas and Creede, Colorado
